Dear Valued Business Community Leader:

On Friday evening, November 2, Court Appointed Special Advocates (CASA) for Children of Mercer and Burlington Counties will host a light evening of comedy to benefit our program serving over 400 children in foster care in our combined service area of Mercer and Burlington counties. Our annual Stand Up for a Child Night of Comedy at the Merion in Cinnaminson features a cocktail hour, buffet dinner, Sponsor a Child Live Auction and Comedian, Joe DeVito - back by popular demand! Joe DeVito's uncanny wit and timing have made him a favorite on The Late Late Show, Comics Unleashed and the Fox Channel Red Eye. Our event has sold out for the last two years and we look forward to an even bigger event this November. We hope you will join us!

CASA for Children of Mercer and Burlington Counties is a non-profit organization dedicated to serving children in Mercer and Burlington Counties who have been removed from their homes due to abuse and neglect. In fiscal year 2018, 247 trained volunteers served 405 children. While we are proud of our 15% growth in children served in FY18, there are still more than 1,000 children in foster care in Mercer and Burlington who need a CASA volunteer to advocate on their behalf. Your help can change that.

We're asking for your financial support of our exciting fall fundraiser that brings tremendous benefits to your business, along with the satisfaction of helping children at a vulnerable time in their young lives.

The sponsor and advertising form is included for your consideration. We look forward to working together to raise critical funds that ensure CASA will be able to grow the number of children we serve. We invite you to complete the sponsorship form no later than October 5 to ensure full pre-event marketing exposure.

Together, we bring safe, permanent homes to the most vulnerable children in Burlington and Mercer Counties.

Sincerely,

Katherine Carmichael, MS.Ed, MSW, LMSW
