WHAT IS A CASA?

“Court Appointed Special Advocate”

- A community volunteer assigned by a judge via a court order to assist the judge with a child abuse and neglect case.
- Gives the child a one on one advocate who stays with the case for at least one year.
- Provides the judge with detailed, updated, unbiased information based on the child's best interests.

MISSION STATEMENT

Our mission is to:

- Train and supervise community volunteers, appointed by the Family Court, to advocate for the best interests of children who have been removed from their families due to abuse and/or neglect.
- Our dedicated volunteers strive to ensure the emotional, physical and educational well-being of these children while they reside in foster homes or residential facilities.
- The ultimate goal of our volunteers is to help establish a safe, stable, and permanent home for each child we serve.”

ROLE OF CASA VOLUNTEERS

A court order gives the volunteer **DIRECT access to all of the child's information to:**

- Collect information (directly from teachers, physicians, counselors...)
- Identify, locate and coordinate services
- Monitor services ordered by the court

ROLE OF CASA VOLUNTEERS

- Visit with the child at least once per month
- When possible, attend meetings to advocate for the child (School, Department of Children and Families, etc.)
- Submit written reports of findings and recommendations to the court (with assistance from CASA staff)
- Attend court hearings

WHY IS CASA SO IMPORTANT?

Picture yourself as a young child, taken from the only family you have ever known for reasons you may not understand. How would you feel? What would you need most?

What is needed is a reassuring adult who has volunteered to always fight for your best interests and for your return to a safe and permanent home; someone who understands the issues and can help you navigate the court system. This is the role that our volunteers play in the lives of these children at this critical and difficult time.
