Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Court Appointed Special Advocates of Mercer County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Court Appointed Special Advocates of Mercer County, Inc. as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Court Appointed Special Advocates of Mercer County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Court Appointed Special Advocates of

Board of Directors
Court Appointed Special Advocates of Mercer County, Inc.

Mercer County, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Court Appointed Special Advocates of Mercer County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Court Appointed Special Advocates of Mercer County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2023, on our consideration of Court Appointed Special Advocates of Mercer County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on

Board of Directors
Court Appointed Special Advocates of Mercer County, Inc.

internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Court Appointed Special Advocates of Mercer County, Inc.'s internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Court Appointed Special Advocates of Mercer County, Inc.'s 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 18, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1 ORGANIZATION

Court Appointed Special Advocates of Mercer County, Inc. (“CASA”) is a nonprofit corporation which trains community volunteers to advocate in court for children who have been removed from their homes due to abuse and/or neglect. The volunteers ensure that needed services and assistance are provided, while moving the child toward a safe and permanent home. The program recruits, screens, trains, and supervises the volunteers.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

CASA prepares its financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) which involve the application of the accrual basis of accounting; consequently, revenues and gains are recognized when earned and expenses and losses are recognized when incurred.

Summarized Comparative Information

The summarized comparative information presents amounts in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with CASA's financial statements for the year ended June 30, 2021 from which the summarized information was derived.

Cash and Cash Equivalents

CASA considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Grants and Contribution Receivables

Grant and contributions receivable are stated at the amount management expects to collect from outstanding balances. It is CASA's policy to charge off uncollectible grants and contributions receivable when management determines that the grants and contributions receivable will not be collectible. As of June 30, 2022, management has determined that no allowance for doubtful accounts is necessary.

Property and Equipment

Property and equipment acquired in excess of \$1,000 are recorded at cost, or if received as a gift, at fair value on the date of donation. Depreciation is computed on the straight-line basis over the estimated useful lives as follows:

<u>Description</u>	<u>Estimated Life</u>
Buildings and improvements	39 years
Furniture and equipment	5-7 years

NOTE 2

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments in equity securities with readily determinable fair values, and all investments in debt securities are reported at fair value, as determined by quoted market prices, with gains and losses included in the statement of activities. Investment income is recorded as earned.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions and may be used for any purpose in performing the primary objectives of CASA. These net assets may be used at the discretion of CASA's management and the board of directors and are considered net assets without donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions or law. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. These donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Revenue and Revenue Recognition

CASA's programs are funded primarily under government grants on a cost reimbursement basis, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. CASA also receives other grants and contracts from nongovernmental agencies. Revenue is recognized when expenditures are incurred and/or service is provided in compliance with specific contract or grant provisions.

Contributions are recognized when cash, securities or other assets, or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. There were no conditional promises to give at June 30, 2022.

Special events revenue is comprised of an exchange element based upon the direct benefits donors receive and a contribution element for the difference. Special events revenue equal to the fair value of direct benefits to donors is recognized when the special event takes place. The contribution element of special event revenue is recognized immediately, unless there is a right of return if the special event does not take place.

NOTE 2

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing program services and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supportive services benefited. Payroll, payroll taxes and fringe benefits are allocated on the basis of time and effort. Other allocable expenses are charged to program and supporting functions based on the benefit to those areas. Directly identifiable are charged to program and supporting services based on their function.

Advertising Costs

Advertising costs are expensed as incurred. These costs totaled \$561 for the year ended June 30, 2022.

Use of Estimates

The preparation of financial statements in conformity with GAAP, requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

CASA is a nonprofit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. Accordingly, there is no provision for income taxes in the accompanying financial statements. CASA follows the accounting guidance for uncertain tax positions. CASA believes that it has appropriate support for any tax position taken and as such, does not have any uncertain tax positions that are material to the financial statements.

Recently Adopted Accounting Pronouncement

Contributed Nonfinancial Assets

In September 2020, the FASB issued ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* (Topic 958). The standard requires nonprofits to expand their financial statement presentation and disclosure of contributed nonfinancial assets, including in-kind contributions. The standard includes disclosure of information on an entity's policies on contributed nonfinancial assets about monetization and utilization during the reporting period, information on donor-imposed restrictions, and valuation techniques. The new standard, as amended, is to be applied retrospectively, to annual reporting periods beginning after June 15, 2021, and interim periods within annual reporting periods beginning after June 15, 2022.

Recent Accounting Pronouncements Not Yet Adopted

Leases

In February 2016, the FASB issued ASU 2016-02 "Leases (Topic 842)." The primary objective of the standard is to increase transparency and comparability among organizations by requiring lessees to recognize lease assets and lease liabilities on the statement of financial position and disclosing key information about leasing arrangements. The new standard clarifies the definition of a lease and causes lessees to recognize leases on the balance sheet as a lease liability with a corresponding right-of-use asset. The standard is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. CASA is currently evaluating the standard and its impact on the financial statements.

NOTE 3 CONCENTRATIONS OF RISK

A significant portion, approximately 45% of CASA's annual funding is from government sources. At June 30, 2022, \$87,242 is receivable from New Jersey government sources.

CASA maintains its cash balances in multiple financial institutions. Accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per depositor. At various times during the year the bank balances may exceed the FDIC limit. As of June 30, 2022, CASA had uninsured cash balances \$240,889.

NOTE 4 GRANTS AND OTHER RECEIVABLES

Grants and other receivables at June 30, 2022 consist of the following:

Government grant contracts receivable	\$ 87,242
Contributions receivable	7,819
Vendor receivable	<u>4,420</u>
Total	<u><u>\$ 99,481</u></u>

All amounts were due within one year of the statement of financial position date. No allowance for doubtful accounts was deemed warranted.

NOTE 5 FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three-tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgment about the assumptions that market participants would use in pricing the asset or liability.

	Total	Level 1	Level 2	Level 3

NOTE 9 CONTRIBUTION OF NONFINANCIAL ASSETS (CONTINUED)

Volunteer advocate services

Donated services consisted of the use of trained volunteers that are important to the mission of CASA. The volunteers serve as advocates for the children. The volunteers undergo rigorous training of 32 hours before they can serve as an advocate. Volunteers work an estimated 10-12 hours each month. During the year ended June 30, 2022, volunteer hours totaled 8,104. This time had an estimated value of \$262,474 based on an average state wage for volunteers as determined by the Independent Sector.

CASA of New Jersey provided the following contributions of nonfinancial assets for use in the operations of CASA as follows:

Consultants

Consulting services were utilized for: (1) shared overhead of CASA New Jersey staff in support of all local programs in the amount of \$16,776; and (2) support of the Rutgers Study that New Jersey required CASA New Jersey to conduct in the amount of \$5,857. The value is based on the actual cost of the services and are shared equally among the fourteen programs.

Accounting services

An outside accounting firm hired by CASA of New Jersey performs some monthly accounting functions. The value is based on the actual cost of the services.

Staff training

CASA of New Jersey provides online training for Advocates. This is valued at the cost of the services.

Utilities

Utilities represent the fee for a volunteer database to track all volunteer date and notes on each foster child's case. This is a service that is shared by the fourteen programs and is valued based on actual cost.

NOTE 10 LEASE COMMITMENTS

CASA had a lease for office space for its Mt. Holly, NJ location that extended through September 30, 2021. The monthly rental rate was \$1,880. For the year ended June 30, 2022, rent expense totaled \$5,640.

NOTE 11 RETIREMENT PLAN

CASA maintains a 401(k) Profit Sharing Plan which essentially covers all full-time employees. An employee becomes eligible to make elective salary deferrals under the Plan after the completion of one month of service and attainment of the age of 21. Employees can defer up to the maximum amount of compensation under IRS guidelines. An employee becomes eligible for matching contributions after completing six months of service and 1,000 hours of work in the Plan year. Contributions to the Plan are at the rate of 3% of an employee's compensation. Total employer retirement contributions for the year ended June 30, 2022 were \$9,785.

NOTE 12 LIQUIDITY AND AVAILABILITY

The following represents CASA's financial assets at June 30, 2022:

Financial assets, at year-end	
Cash and cash equivalents	\$ 516,982
Grants and contributions receivable	<u>99,481</u>
Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 616,463</u>

CASA regularly monitors liquidity required to meet its operating needs and other contractual commitments, while striving to maximize the investment of its available funds. CASA typically maintains its financial assets in cash with a goal of having funds available when needed.

NOTE 13 SUBSEQUENT EVENTS

CASA has evaluated subsequent events through January 19, 2023 the date which the financial statements were available to be issued.

SUPPLEMENTARY INFORMATION

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report

Board of Directors
Court Appointed Special Advocates of Mercer County, Inc.
Ewing, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Court Appointed Special Advocates of Mercer County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 19, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Court Appointed Special Advocates of Mercer County, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Court Appointed Special Advocates of Mercer County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Court Appointed Special Advocates of Mercer County, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Court Appointed Special Advocates of Mercer County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
