CASA for Children of Mercer and Burlington Counties Celebrates Its 25th Anniversary!

In 1977, a Seattle Superior Court judge recognized a critical need: making informed decisions for abused and neglected children required more than just case files. He envisioned a dedicated group of trained volunteers who would independently investigate cases, advocate for children's best interests, and ensure their voices were heard in court. In response, 50 citizens stepped forward, launching what became the CASA movement.

Twenty-five years ago, CASA of Mercer County joined this movement, making a commitment to serve and advocate for local children in foster care. In 2011, CASA of Burlington County merged with CASA of Mercer to strengthen its impact and more effectively serve children in out-of-home placements.

Since its founding, CASA for Children of Mercer and Burlington Counties has served nearly 4,000 children in foster care, thanks to the dedication of more than 3,000 highly trained community volunteers. These advocates work tirelessly to ensure children receive the services, stability, and support they need while navigating the child welfare system.

While these numbers reflect the breadth of our work, the true impact on each child's life is immeasurable. Through our volunteers' advocacy, countless children have found safe, stable, and permanent homes, received critical educational and medical support, and had someone in their corner during the most challenging times in their young lives.

This year, we invite you to celebrate CASA of Mercer and Burlington Counties' celebratory **25th Anniversary Gala** and join us in continuing this life-changing mission. Your sponsorship and support will help ensure that every child in foster care has a dedicated advocate fighting for their future.

Together, we can create a world where every child experiences the safety, stability, and care they deserve.

With gratitude,

Our Mission

Our mission is to train and supervise community volunteers, appointed by the Family Court, to advocate for the best interests of children who have been removed from their homes due to abuse and/or neglect. Our dedicated volunteers strive to ensure the emotional, physical and educational well-being of these children while they reside in foster homes or residential facilities. The ultimate goal of our volunteers is to help establish a safe, stable, and permanent home for each child we serve.

Our Vision

CASA's vision is to be a widely recognized, financially self-sustaining organization striving to improve the lives of all Mercer and Burlington County children in out-of-home placement. We are committed to the highest quality of advocacy through trained community volunteers.
